

Brasil

Join us **August 6-10** - Fortaleza, **Brazil**
the world's premier life sciences conference

ISMB 2006
Intelligent Systems for Molecular Biology

and **2nd Annual AB³C Conference: X-Meeting**

Keynotes

8 keynote speakers, including
Nobel Laureate Speakers

Richard J. Roberts
New England Biolabs

Robert Huber
Max-Planck-Institut für Entwicklungsbiologie

Kurt Wüthrich
Institute of Molecular Biology and Biophysics, Zürich

Elena Conti
European Molecular Biology Laboratory Heidelberg

Sir Tom Blundell
Department of Biochemistry, University of Cambridge

Charles DeLisi
Department of Biomedical Engineering, Boston University

Mathieu Blanchette
*2006 ISCB Overton Prize
McGill University*

Michael Waterman
*2006 ISCB Senior Scientist Accomplishment Award
University of Southern California*

Goran Neshich: Conference Chair

Ana Tereza Vasconcelos: Conference Co-chair

Phil Bourne: Program Committee Co-chair

Søren Brunak: Program Committee Co-chair
